## Fishing regulations

### Bjerke Hunter and fish association

- Local fishing license must be acquired before you start fishing, and must be brought when fishing and show if asked for by the license controllers.
- Fishing with a rod or hand line are permitted from shorelines and boats, in all lakes and rivers as well as ice fishing.
- It is **not permitted** to use motors of any kind on boats, including electrical motors.
- It is **not permitted** to use permanent mounted fishing equipment. Examples; nets, or lines with several hooks. Fishing rods or similar, without supervision is to be regarded by controllers as permanently mounted equipment.
- Fishing with "oter" is **not permitted**.
- Brown trout (salmo trutta) Below 25cm is to be put back alive and with as little damage as possible.
- In creeks, rivers and within a zone of 100m form these, fishing is **prohibited in the month of October**
- Failure to follow these rules will result in a fine of 1000 kr (Norwegian Kroners). Severe violations of these rules will be reported to the police.

Fishing license sold at the following locations:

- Sandholt petrol station, ESSO, Maura
- Mr. Bjørge Kopperudmoen, Sandsnesseter
- Online at; [www.inatur.no](http://www.inatur.no)
- By telephone by sending an SMS. (Look for instructions)

Respect nature and wildlife; do not leave trash behind when outdoors!

**We wish you a good trip and good luck fishing!**
